

The World Expo would be held from 5 June to 5 September 2027

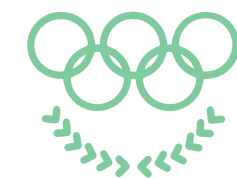

EXPO 2027 MÁLAGA SPAIN

Specialised Expo 2027 Candidate

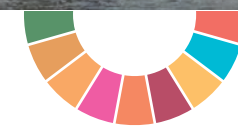

Málaga is a candidate alongside Minnesota (USA), San Carlos de Bariloche (Argentina), Phuket (Thailand) and Belgrade (Serbia)

The candidature has the support of the Spanish government, the Andalusian regional government, the county council and Málaga city council and more than 260 companies and institutions

Spain has experience hosting the Barcelona 1992 Olympic Games and Universal and World Exhibitions such as Seville in 1992 and Zaragoza in 2008

As a city that strives to be more sustainable, Málaga wants to be a meeting point for international debate and the exchange of experiences on the challenges cities face to make population growth and environmental sustainability compatible

The UN's 2030 Agenda for Sustainable Development Goals (SDGs) are part of Málaga 2027's strategy

Málaga is a touristic, innovative city and the economic and technological capital of Andalucía

It's a prime location on the Mediterranean Sea, enjoying more than 295 days of sunshine a year

The city has recorded more than 19.8 million passengers with direct flights to more than a hundred destinations from Málaga airport and more than 30 million rail passengers since 2007

The city has first-class land, rail, sea and air infrastructures, with a sound business network that includes Google, Vodafone, Oracle, Dekra and TDK, among others, and a superior tourism industry

It is also a cultural hub with 60,000 m<sup>2</sup> of exhibition space and 39 museums

After the Expo, the infrastructures shall accommodate educational, scientific and innovative spaces and a business park. Furthermore, the plots located to the east and west of the main site, which will be used for residential and logistical purposes during the event, will allow Málaga to increase its housing stock and expand the Freight Transport Centre
