

Ekim Tan

Ekim Tan is an architect, urban planner and PhD game designer from Istanbul who is based in Amsterdam. In her role at Play the City, Ekim keeps herself well-informed on the latest developments in societies and technologies around the world. This helps her to provide the appropriate leadership to a young and expanding company. Meanwhile, Ekim travels regularly to give lectures and training on cities and games. She has spoken at Delft University of Technology, ETH Zurich, Aleppo University for Arts and Sciences, Rotterdam Academy of Architecture, Amsterdam Academy of Architecture, Copenhagen Business School and Middle East Technical University.
